History

#1 - 2012-05-07 18:28 - Elmer de Looff

- Status changed from New to In Progress

- % Done changed from 0 to 30

Progress has been made on this. Base and DebuggingPageMaker have been documented, with examples attached.

#2 - 2012-05-09 17:44 - Elmer de Looff

- Status changed from In Progress to Resolved

- Assignee changed from Elmer de Looff to Jan Klopper

- % Done changed from 30 to 70

Jan,

PageMaker and its facilities have been documented. Please verify.

We'll want to add more elaborate and full examples for PageMaker use at some point. It's probably good to place them in this document, but before that it will need some cleanup. That is, the login information needs its own location as per #810.

#3 - 2012-05-10 10:41 - Jan Klopper

- Status changed from Resolved to Closed

- Assignee changed from Jan Klopper to Elmer de Looff

- % Done changed from 70 to 100

Fixed a few tiny issues, but looks good ans very usable.
